EDUCATION

Mahraja Agrasen Institute of Technology, GGSIPU, Delhi
B.Tech in EEE
2015-2019

RELEVANT SKILLS

JavaScript
Vanilla JS
HTML5 & CSS3
AngularJS
ReactJS

Express
NodeJS
Typescript
SQL

C#
ASP.NET core
.Net Core
MongoDB

CAREER OBJECTIVE

Aspiring a suitable entry level position in an engineering organization that provide me an opportunity to build up and enhance my skills in software and web development and engineering

TRAINING EXPERIENCE

February 2023–August 2023

MERN Stack Developer

(DUCAT IT. Training School , Noida)

Frontend development using Rect framework for UI and design was learned during six month training of full stack web development using MERN stack (MongoDB , Express.JS , React.JS and Node.JS) . Modern Javascript (ES6 JS) was learned along with fundamentals of programming in js.

Typescript and its use in react and angular was studied with hands on practice on coding and programming . Familiar with the use of Next.JS and React routing for backend operations.

MsSQL and MongoDB was used for database management . Automated backend such as FireBase was used to develop CRUD apps and to-do apps.

June 2022–December 2022

.NET Developer

(DUCAT IT Training School , Noida)

Attended six months industrial training for full stack web and app development using asp.net core and .net MVC for backend development.

Angular.JS for frontend and ms-sql for database was used. Comfortable with the Visual Studio and VS code development environment . Familiar with the Docker and virtual machines . Relevant knowledge of DevOps and lifecycle management of applications was provided during training. Familiar with use of ADO.NET for connection to database and backend.

PROJECTS

- Netflix Clone app using MERN stack and NEXT.JS
- Developed an e-commerce app using MERN stack
- Developed several games-
Memory game , Whack-a-mole , rock paper scissors , connect four using Vanilla JS .
- Developed library management system using Blazor for UI , asp.net core for backend

AREAS OF INTEREST

- Machine Learning ; Data Science ; Data analytics , AI
